Professional Bio

Teaching the game of golf for 25 years

For the last 15 years, I have been the Head Golf Professional at Pennington Golf Center. Previously, I was the Director of Golf for Somerton Springs overseeing nine different golf school locations, and prior to that I was the Head Golf Professional for three years at the Golden Bear Golf Center in Toms River, NJ, where I learned from other, Nicklaus/Flick Golf Professionals Martin Hall and Chuck Winstead. I have also held the positions of Assistant Golf Professional at Newton Country Club and Beaver Brook Country Club. From the beginning I realized I had a passion for teaching and coaching the game of golf to others, and directed my career path to becoming a full-time instructor in order to instill my same passion and enjoyment of the game to my clients. I have worked with thousands of golfers - men, women and juniors of all abilities and I look forward to meeting you and helping you achieve all of your golfing goals!
